

Express yourself!

The High Point Area Arts Council launched another arts education program this year, High Point Drum Circles, for the purpose of artistic expression for people with little or no musical experience ... the drum circle is for all people of all ages and all abilities.

One of mankind's most ancient forms of expression, drumming is a fun, cutting edge team building and stress relief experience that helps to develop a healthy perception of self and others. Allowing oneself to open up into the experience of drumming often moves the mind past the conscious thinking level into a sense of joy and connectedness with others.

Drum circles empower individuals to reap the benefits of engaging, transformative events regardless of musical ability or experience; dissolving barriers of race, culture, gender or age.

The Drum Circles will be led by Osberry "Oz" Diles. Weekly rehearsals will start on Monday, September 13, from 6:00 to 7:00 p.m. in the Arts Council's rehearsal space at 305 N. Main Street, Suite 222, High Point, NC.

There is a monthly tuition of \$30 (partial and full scholarships are available). So don't hesitate ... be a part of this new community!
